

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Program Supplement No. 005-M to Administering Agency-State Agreement No. 10-5154 for the Elm Street Reconstruction and Bike Lane Striping, Hutchins Street to Lower Sacramento Road Project

MEETING DATE: July 15, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution approving the Program Supplement to the Administering Agency-State Agreement for Federal-aid Projects No. 10-5154 for the Elm Street Reconstruction and Bike Lane Striping, Hutchins Street to Lower Sacramento Road Project.

BACKGROUND INFORMATION: The money received under this Program Supplement will fund a portion of the cost of the above project. The estimated project cost is \$367,000. The maximum Federal dollars available for this project are \$258,520 and cover only the construction phase. At award of contract, Transportation Development Act (TDA) and/or Gas Tax funds will be appropriated for the City's share of costs. There is a possibility of transferring excess Federal funds from completed projects to this project, which has increased in scope since the project was first submitted for Federal funding. At this point, that option cannot be pursued.

After we receive notification from Caltrans that this Program Supplement has been approved, the plans and specifications for this project will be brought back to the Council for approval to advertise for bids. This should be later this summer so that construction can be completed in the fall.

FUNDING: Matching funds will be determined at contract award.

Richard C. Prima, Jr.  
Public Works Director
